Teaching Interests/Focus

Dr. Wisdom has taught all medical-surgical courses, research, and genetics classes for the BSN program. She manages the coordination of clinical requirements for the students and collaborates with healthcare facilities to ensure clinical assignments are arranged. She has taught at many levels of nursing education and previously taught in both BSN and MSN programs. She has worked as a director of nursing both in education and in clinical settings.

Clinical Interests/Focus

Dr. Wisdom's clinical specialization is critical care nursing. She is educated as an acute care nurse practitioner.

Research Interests/Focus

Her research interest is emerging but is primarily related to spirituality. She plans to focus on nursing leadership as well. Research presentations have focused on issues related to spirituality.
