

College of Nursing-Fort Lauderdale

Ileana Petrone MBA, CCP, PHR

Ileana received her Bachelor's degree from Nova Southeastern University, and her Master's in Business Administration from Nova Southeastern University's Huizenga School of Business.

Ileana began her work career working nights and weekends at Universal Studios while attending high school. Dreams of becoming famous were quickly washed away when the casting department never returned her call. Ileana decided to attend college after graduating high school in 1997 and came to Fort Lauderdale to attend Nova Southeastern University.

Ileana enjoys spending time with her twins (one boy, one girl) as well as watching more television than she will care to admit. She is an avid fan of reading speculative and dystopian fiction (both adult & young adult levels) as well as reading literary works of old. Her current television obsessions are Game of Thrones and True Blood. Ileana began her career in the payroll department at Nova Southeastern in 2002, and quickly moved up through promotions from payroll to Human Resources where she remained until September 2011 when she was promoted into her current role as the Director of Administrative Services for the College of Nursing.
