

## Ron and Kathy Assaf College of Nursing

### Bibi Farida Khan, M.S.N., R.N.

---

Bibi Khan is an Assistant Professor in the undergraduate program at the Nova Southeastern University College of Nursing. She obtained her Bachelor's degree in nursing from Nova Southeastern University, and her Master of Science degree in nursing, with a specialization in education from Walden University. At present, she is pursuing a Doctorate in Nursing Practice degree from Walden University.

Bibi has an extensive clinical background in emergency medicine and trauma. Her research interest centers on geriatrics and the promotion of health and well-being. After several years of functioning as an adjunct faculty member, Bibi joined the ranks of the College of Nursing faculty full time. Her main teaching responsibilities are in the undergraduate program. Bibi also functions as a faculty advisor and currently serves as the ACON representative for the AHEC Tobacco Cessation Program.
