

**THIS PROGRAM
IS APPROVED FOR
12 CONTACT HOURS
IN NURSING.**

The **CLINICAL FACULTY ACADEMY** is a collaborative effort between Nova Southeastern University College of Nursing and Barry University College of Nursing and Health Sciences.

The academy is a two-day conference using content developed by the Kansas City Metropolitan Clinical Faculty Academy, that is designed to help prepare registered nurses for their important roles as clinical instructors in area nursing programs.

WHAT WILL I GAIN?

As a clinical educator, you can help train the next generation of nurses. Through the CLINICAL FACULTY ACADEMY, you will gain the following:

- 1** knowledge and skills essential for success in an adjunct clinical faculty role
- 2** a support network for adjunct clinical educators
- 3** stronger connections between clinical practice sites and academic environments
