

College of Nursing-Kendall

Joan, Coke MPH, ARNP

I received a diploma in nursing from University Hospital of the West Indies. I obtained my undergraduate degree from Barry University. I have a Master's in Public Health and a Master's in Science of Nursing (Advance Registered Nurse Practitioner) from Florida International University. I am currently seeking a doctoral degree in higher education leadership at Nova Southeastern University.

My specialties are in Pediatrics, Neuro-surgery, Orthopedics, Medical Surgical, Obstetrics and Primary Care Health.

I am currently doing research in Med/surgical, community health and genetics. I am interested in poster board presentation also learning about nursing students' perception of Simulation Experience. Currently co-investigator of a qualitative research study: Nursing Students' Perception of their clinical Experience in Rural and Underserved Community Centers. I started at NSU as an adjunct clinical nursing professor in 2007 and became a fulltime Assistant Professor in 2008. I am currently seeking a doctoral degree in higher education leadership at Nova Southeastern University.
