

College of Nursing-Fort Lauderdale

Matthew De Bruin

Matthew received his Bachelor's degree from Nova Southeastern University and is working towards his Master's in Marketing from Nova Southeastern University at their Huizenga School of Business.

Matthew began his work career working for AT&T while attending NSU. In his senior year at NSU he began working for Sunrise Sports and Entertainment to get a better understanding on how marketing and advertising had an effect in the sporting industry. After graduating from NSU he decided to move his career forward and went on to work for Enterprise rent a car. While working at Enterprise rent a car he gained valuable knowledge in the business industry that would eventually lead him back to NSU.

Matthew enjoys spending time with family and friends. He also enjoys being outdoors fishing and or mountain biking. Matthew has a wealth of knowledge about NSU and its resources. He's knowledge goes back to 2004 and has seen the University grow first hand. He looks forward to continue his career here at NSU and to help the College of Nursing become one of the most prestigious Nursing schools in the country.
